## Benefits for selected students

Since 2013, more than 13,000 BA, MA and PhD students attended our WeFood Academy Program curated by Goodnet. Through our initiative, we offer participants a unique opportunity to meet and discuss with renowned industry professionals and experts, participate in training activities and join an international network of peers from the same sector.

Our WeFood International Fellowship Program grants:

- **participation in guided tours** through the most innovative companies in the area;
- **bus transfers** for the whole duration of the itinerary;
- **full board accommodation** in 3-4 bed rooms for the entire duration of the stay (from Friday 1 to Sunday 3 November 2024); single or double-room accommodation is available at an additional cost.

Our fellowship program covers 50% of the participation fees. In order to confirm participation to the Academy Program, selected students are required to pay a participation fee of **280,00 Euros**.

The Academy Program does not cover travel expenses to/from the city of residence.
