

MEDICTA2025

17th Mediterranean Conference on Calorimetry & Thermal Analysis Thessaloniki, 9-11 July 2025

The **Hellenic Society for Thermal Analysis (HSTA)** is happy and proud to announce the organization and conduction of the 17th Mediterranean Conference on Calorimetry and Thermal Analysis, **MEDICTA2025**, in **Thessaloniki, GREECE**, on **July 9-11, 2025**.

The Organizing Committees aspire to highlight the contribution and involvement of Thermal Analysis and Calorimetry in scientific fields such as materials, drugs, food, and the environment as well as in key areas of the kinetics and thermodynamics of physical and chemical processes. Thus, we kindly invite scientists, academics, researchers and experts from all over the world, focusing on the Mediterranean countries, to participate in our conference to present their valuable works in **MEDICTA 2025** Conference!

We look forward to welcoming you in **Thessaloniki, GREECE** and have a fruitful and enjoyable conference!

On behalf of the Organizing Committees,

Prof. Dimitris S. Achilias
President of HSTA
School of Chemistry, AUTH

Conference Topics & Guidelines

Abstracts of novel research projects describing original works are invited in any of the subfields, for oral or poster presentation:

1. Kinetics of physical and chemical processes
2. Thermochemistry and Calorimetry,
3. Thermodynamics
4. Advanced materials: polymers, ceramics, metals, composites and nanocomposites, biomaterials, inorganic materials, nanomaterials
5. Instrumentation and Theory: coupled, complementary and alternative techniques
6. Combustion, Fuels & Materials for Energy conversion and storage.
7. Pharmaceuticals, Textiles and Cosmetics
8. Life sciences, Food science, Agricultural applications, thermo-chemical recycling

To contribute your research to the conference, please submit your **abstracts for peer review from January until March 31st 2025**, following the online platform & template available.

International Organizing Committee **Heads of Societies of Thermal Analysis of Mediterranean Countries**

- **Prof. Dimitris Achilias**, Hellenic Society for Thermal Analysis (**HSTA**) GREECE
- **Prof. Ignazio Blanco**, Interdivisional Group of Calorimetry and Thermal Analysis (**GICAT**) ITALY
- **Prof. Stefano Vecchio Cipriotti**, Associazione Italiana di Calorimetria e Analisi Termica (**AICAT**) ITALY
- **Prof. Matko Erceg**, Committee for Thermal Analysis and Calorimetry of the Croatian Society of Chemical Engineers (**CCTAC-CSCE**) CROATIA
- **Prof. Loic Favergeon**, French Association for Calorimetry and Thermal Analysis (**AFCAT**) FRANCE
- **Prof. Luis Pérez Maqueda**, Spanish Group of Calorimetry and Thermal Analysis (**GECAT**) SPAIN
- **Prof. Maria D.M.C. Ribeiro da Silva**, Calorimetry and Thermal Analysis Group of Porto (**CATPOR**) PORTUGAL
